

HIS PALETTE

CREATIVELY PRAISING HIM AND LEARNING HIS WORD

Hello Pastor!

A member of your congregation is interested in learning more about Bible journaling and would like to share with you how you can facilitate a class or workshop at no cost to the church.

WHAT IS BIBLE JOURNALING?

Bible journaling is a very personal way to be in the presence of our glorious God, to engage with the Word, to praise and glorify Him, to speak to and be in relationship with our heavenly Father, to record our prayers, Bible study and sermon notes, and to write down the things we hear the Lord speaking to us. It does not require you to work directly in your Bible.

WHAT IS A HIS PALETTE WORKSHOP?

First, we'll talk about the different options working inside your Bible. Then we'll move on to ways you can work outside the Bible and what the distinct types of mediums are. I will give attendees a ton of information on creative techniques and safe-for-Bible supplies, both verbally and in printed form. We will also have 1 - 4 hands-on projects we will do during the workshop.

WHAT ARE YOUR OPTIONS?

We offer two different options for your church. The first is Introduction to Bible Journaling, a one-day, 4-hour workshop that includes instruction and multiple hands-on projects. The second is Bible Journaling Fellowship, a 2-hour class. This class offers those who just want to dive in without the floaties on, a fun-filled couple of hours to creatively worship the Lord.

WHAT IS THE BOTTOM LINE?

Introduction to Bible Journaling Workshop - 4-hours

\$25 per person (5- 20 attendees) NO COST to church.

Bible Journaling Fellowship Class - 2-hours

\$15 per person (5 - 20 attendees) NO COST to church.
